

Vision 2025

Southeastern Louisiana University's Strategic Plan

Mission Statement

The mission of Southeastern Louisiana University is to lead the educational, economic and cultural development of southeast Louisiana.

Core Values

Core Values are the underpinning of a university's culture and character, and serve as the foundation on which everything else is built. Southeastern Louisiana University's core values of Excellence and Caring reflect who we are and what you can expect from us.

EXCELLENCE:

Continually striving for the highest level of achievement; overcoming challenges with reflection, improvement, innovation and reinvention.

CARING:

Serving the needs of others with respect, understanding and compassion; affirming the differences among individuals, values and ideas.

Strategic Priorities

1. To engage a diverse population of undergraduate and graduate learners with powerful experiences.
2. To enrich and strengthen faculty and staff support and morale.
3. To increase and manage resources effectively.
4. To advance Southeastern's brand, strengths and value to all audiences.

- 1.5 The University will create an academic environment supported by well-qualified and diverse faculty and staff.
- 1.6 The University will create an environment that promotes accessibility and safety,

- 5.2 The University will increase access to and participation in distance education.
 - 5.3 The University will establish a comprehensive centralized center to support distance delivery.
 - 5.4 The University will implement focused strategies to strengthen the foundation for quality distance education.
 - 5.5 The University will increase distance learning programs for working adults.
6. To foster a physical environment and efficiently allocate space in a way that directly affects higher rates of recruitment and retention of students, faculty, and staff.
- 6.1 The University will enhance the appearance and usability of campus.
 - 6.2 The University will expand and/or upgrade access to technology.
 - 6.3 The University will develop and implement a strategy for optimizing use of facilities.
