

## Worker's Compensation Policy

### Policy Statement

The purpose of this policy is to ensure that any worker injured in the course and scope of employment receives timely access to all the benefits as prescribed by workers' compensation laws.

### Purpose of Policy

Employees are covered by workers compensation, which provides for payment of medical expenses and partial salary payments in the event of an approved work-related injury or illness. The amount of the benefits payable and the duration of payment depend on the nature of the injury or illness and the employee's salary. In general, usual and customary medical expenses incurred in connection with an injury or illness are paid and partial salary payments are provided beginning after the seven-day waiting period.
